

CERTIFICATE

QUALITY MANAGEMENT

The

Dehoust-Group

with the locations:

Leimen, Nienburg, Heidenau

has introduced and implemented a

Quality Management System

for the scope:

Production of single and double walled PE-storage tanks; production of rainwater-systems, greywater constructions and safety separating stations; plastic special containers; drip pans; production of plastic special parts; fluorination; storage tanks out of steel and stainless steel; pressure tanks and apparatus construction; surface treatment and covering of steel tanks; production of heat and cold reservoirs out of steel and stainless steel

Proof has been furnished that the requirements according to

DIN EN ISO 9001 : 2008

are fulfilled.

Compliance with the above standard was ascertained by a quality audit.
This certificate is valid from October, 3rd 2017 until September, 14th 2018.

ESC Cert GmbH

Kassel, September, 22nd 2017
