

CERTIFICATE

ENERGY MANAGEMENT

The company

Dehoust GmbH
Dürerstr. 1
01809 Heidenau

has introduced and implemented an

Energy Management System

for the scope:

**Pressure tanks out of steel, pressure tanks and apparatus construction,
surface treatment and covering of steel tanks, production of heat and cool
reservoirs out of steel, steel manufacture,
trade with plastic battery containers**

Proof has been furnished that the requirements according to

DIN EN ISO 50001 : 2018

are fulfilled.

Compliance with the above standard was ascertained by an energy audit.

The whole energy quantity is considered within the certified management-system.

This certificate is valid from October, 13th 2020 until October, 12th 2023.
